Dear Sirs,

This declaration is in response to your letter dated April 13, 2010, and the accompanying campaign complaint, MUR#6269.

At the outset I would like to state that I have not been involved in the Montandon for Governor Campaign since November of 2009.

I swear and affirm under oath to the following responses to the specific allegations contained in the complaint:

In regards to section I. A. of the Complaint:

I ceased working for the Montandon Campaign in November of 2009.

In regards to section I. B. of the Complaint:

I had no prior knowledge of the content of the advertisement, nor did I have any knowledge of the placement of the advertisement. To this date I still have never seen the advertisement in any form or medium with the exception of the complaint in which I was named.

In regards to section II.A. of the Complaint:

I have never been authorized to make any expense for the Montandon Campaign or the Tarkanian Campaign. Nor do I have knowledge how the advertisement was paid for by the Montandon Campaign

In regards to section II.B. of the Complaint:

The advertisement in question was apparently created, paid for, and placed at least 120 days after I ceased working for the Montandon campaign. I have never shared any of the plans, projects, activities, or needs of Tarhanian to the Montandon Campaign.

In regards to section II.C. of the Complaint:

I have no knowledge as to the requirements of the Montandon Campaign as it pertains to any necessary FEC filings.

I hope that the above responses adequately address the allegation in the complaint. Please feel free to contact me at 702-498-2820 if you need any additional information or clarification.

Sincerely,

Steven Wark
